APPOINTMENT OF WAMSLEY

WAS GENERALLY ACCEPTED AS A FOREGONE CONCLUSION AND CAUSED NO GREAT AMOUNT OF SURPRISE. SOME HORSE PLAY.

J. E. Wamsley of Irvington was appointed Justice of the Peace of Washington Township last Monday on the motion of Supervisor Murphy. The appointment of Wamsley was generally conceded although various other names were mentioned. After the open alliance made by trustees Wamsley and VanDervoort following the defeat of the VanDervoort faction last April it was a foregone conclusion that Wamsley would get the appointment should a vacancy occur. It is true there was a little by-play in Niles when Billy Moore, L. W. Wood and Dr. C. L. McKown waited upon Rev. F. V. Jones and tried to prevail upon him to enter the lists. It was a safe proposition that Mr. Jones would not accept such a position, but had the effect of making good on the part of the M.K.'s, although the sight of Billy Moore and Luther Wood exchanging felicitous messages of high esteem and mutual regard with a minister of the gospel and offering to back him for a \$75 a month job must have seemed rather ludicrous to all concerned on sober second thought. It was no doubt a foregone conclusion that Mr. Jones would not accept such a position, but had the effect of making good on the part of the M.K.'s, although the sight of Billy Moore and Luther Wood exchanging felicitous messages of high esteem and mutual regard with a minister of the gospel and offering to back him for a \$75 a month job must have seemed rather ludicrous to all concerned on sober second thought.

Those who are supposed to have followed Mr. Jones into the Murphy camp last fall. And besides it flattened the trio somewhat after the turn down of Charley Overacker and Champ Stivers and Johnny Barnard. Another candidate for the position was Ed Steinmetz of Mission San Jose who deluded himself with the old fashioned idea that if he secured the indorsement by petition of a sufficient number of people that his aspirations and qualifications would be given due consideration. So Ed, who is a fine fellow, a good citizen and well qualified got busy. He filled quite a number of sheets of paper with names, but he evidently hadn't read "The Politician" in the Register or he would have "seen Mike Kelly" instead of wasting his time on the vulgar populace. Ed's petition was duly filed.

When Monday morning came the faithful hied to Oakland augmented by a number of aspirants for constable who wished to be presented at court and in whose mind visions of \$85 a month loomed up like a mirage in a desert. When the time came to appoint a Justice of the Peace, the "M. K." machine ground out the name of Wamsley with a reward of merit halo all about it. Sam VanDervoort gave that knowing look acquired by long association with the oracle, Joe Roderick said "I told you so", and in the Oakland holy of holies there was the satisfaction that another promise to the faithful had been "made good". And over in Irvington there are a lot of long knives being sharpened for next year's killing.

Caminetti Water Bill May Be Signed

Up to the hour of our going to press the Caminetti Water District Bill had not been acted upon by Governor Johnson. He has until Monday however to act upon it and we have reason to hope that the Governor will sign the bill.

CLARKE-ROWE

A very pretty wedding was solemnized last Sunday at the country home of Mrs. Eleanor Clarke near Niles, the contracting parties being Miss Ada Clarke of Niles and Mr. Richard Davis Rowe of Oakland.

The bride looked beautiful in a dress of white charmeuse trimmed in pearl. She carried a shower bouquet of white carnations and maiden hair fern. She was attended by her sister Miss Mabel Clarke and Mr. Frank Clarke acted as best man.

The house was decorated with pink roses and smilax. After the ceremony an elaborate wedding breakfast was served.

Only the immediate relatives of the bride and groom were present; among these were Mrs. Eleanor Clarke, Mr. and Mrs. L. L. Brown of San Francisco, Mr. and Mrs. James Clarke of Livermore, Mr. and Mrs. Smith, Mr. Harry Rowe of Oakland, Miss Mabel Clarke, and Mr. Frank Clarke.

The ceremony was performed by the Rev. Vernon Jones of Niles Congregational church.

The bride is the youngest daughter of Mrs. Eleanor Clarke; she is a graduate of the State University, and has a host of friends at Niles and around the Bay cities.

The groom is a retired capitalist of Oakland, having made a large fortune as a contractor and builder.

Mr. and Mrs. Rowe left in the afternoon in their auto for Oakland, they leave at once for an extended trip to the east and expect to be gone all summer. On their return they will reside in Oakland where Mr. Rowe has a new home completed for his bride.

Alameda County will be liberally represented in the state conference of the California Celebrations Committee, which, an outgrowth of the Portola Festival Plans of San Francisco, is coordinating California's held in San Diego, June 18, and from the committee's headquarters in Los Angeles invitations have been sent to several development leaders in Alameda County. These are: Wells Drury, of the Berkeley Chamber of Commerce; Elmer Welch of the Hayward Chamber of Commerce; J. E. Jacobus, of the Niles Chamber of Commerce; Miss T. M. Buttner, of the Alameda Chamber of Commerce; H. G. Mehrtens, of the Alameda Improvement Club; A. A. Dennison, of the Oakland Chamber of Commerce; and Wilbur Walker, of the Oakland Board of Trade.

TWO ISSUES AT ONE ELECTION

INFIRMARY BONDS AND MUNICIPAL WATER DISTRICT MAY BE VOTED ON AT THE SAME ELECTION.

The election for the bond issue for the new million dollar county infirmary and the organization of the proposed municipal water district will probably be held at the same time, according to the action of the Board of Supervisors for the water election at the meeting on Monday morning, in order to consider placing the matters on the ballot with it.

The project was brought up by Mark L. Requa, president of the Alameda County Tax association who urged that this plan be adopted.

Final verification of the signatures to the water district petition made by Mayor Frank M. Mott of Oakland and others interested was officially confirmed Monday by County Clerk J. P. Cook.

The date for the election may be delayed in order to combine the two issues.

For the protection of the county's game, an ordinance was adopted this morning on the recommendation of Supervisor Murphy, making it unlawful to kill deer September and August, tree squirrels at any time, rail at any time or shore birds between February and October.

The ordinance further provides that possession of flesh skins pelts or eggs will be proof of the offense. A misdemeanor penalty was applied to the case. The board will meet again Wednesday, at 10 a. m.

DEATH OF MRS. McWHINNEY

Carrie Irena McWhinney, wife of Hugh McWhinney of Santa Cruz and until three years ago a resident of Decoto, passed away last Sunday, June 8. About three and a half years ago Mrs. McWhinney suffered a stroke of paralysis and since then has been an invalid. Since selling out his interests at Decoto, Mr. McWhinney has devoted his entire attention to his wife in the hope of again restoring her to health, but though every possible effort was made she gradually declined until death claimed her last Sunday. She passed peacefully to rest and was conscious almost to the last.

The attachment of this worthy couple to each other was a source of admiration to all who knew them and the kind and devoted husband has the sincerest sympathy of all their former friends in this township.

Deceased was a native of Humboldt county and was born in 1855. She was married to Mr. McWhinney on Nov. 27, 1875 at Eureka. Eleven years ago they came to Decoto and made their home on the place near the Bell Ranch bridge until three years ago. Mr. McWhinney left Wednesday by steamer for Eureka with his wife's remains where interment will take place.

Mr. and Mrs. W. H. Ford returned last week Friday from their trip to Panama, Cuba, and the eastern and southern states. The trip was full of interest and was greatly enjoyed.

Sudden Death of Geo. G. Bontelho

George G. Bontelho, one of the most popular men in Washington Township, died suddenly last Saturday night. Failing to respond to the call of his stable boy Sunday morning, the door of his room was forced open and he was found lying dead in bed. While his health has not been the best for some months past his death was entirely unexpected and came as a great shock to his many friends in the Township. George Bontelho had a legion of warm friends for his many acts of kindness and generosity had won him the name of "the friend of the poor" in many a home in the Township. The sincere affection of hundreds of people was shown at the funeral at Centerville Tuesday, where people from all over the valley came to pay their last sad tribute to him.

The funeral was conducted by Mr. H. Light who has been in his employ in the undertaking business for the past year and took place from the firm's parlors in Centerville with requiem mass in the Catholic Church at Centerville, Father Antonio officiating. The interment took place in the Centerville Catholic cemetery.

Alvarado Aerie, Fraternal Order of Eagles acted as escort, the U. P. E. C. band of San Leandro furnishing appropriate music and members of the A. Fonte Council U. P. E. C., Centerville Grove of Druids and Alvarado Camp, Woodmen of the World, and Centerville Lodge, Knights of Pythias of which he was a member, besides hundreds of mourning friends, crowded the church and followed the remains to the cemetery. The pallbearers were Constable Joe Roderick, Charles Pape, M. S. Silva, Joseph S. Roderick, A. A. Lee.

The honorary pall bearers, members of the I. D. E. S., were: Miss Marshall, Miss Everest V. Deas, Miss Addie V. Deas, Miss Delphina Betten-court, Miss Garcia, Miss M. Oliveira.

The profusion of beautiful floral offerings was a silent testimonial to the high esteem in which he was held.

Deceased was a native of Walnut Creek, Contra Costa county and was 39 years, 10 months and 23 days old. He is survived by his mother, Mrs. A. A. Lee.

The undertaking business in which he was engaged will be continued under the personal supervision of his brother F. F. Bontelho of Walnut Creek, who will move into the township and make his home here. The business will be conducted along the same lines and the same treatment will be given the public as heretofore. Mr. Light will be retained as funeral director.

GEORGE G. BONTELHO

S. Bontelho of Walnut Creek, three brothers, Joseph, Frank and Louis of the same place and two sisters Mrs. P. A. Silveira of Mill Valley and Mrs. A. P. Borges of Moraga Valley.

He came to Washington Township about eleven years ago and engaged in the livery business at Alvarado and later in the undertaking business at Centerville and Hayward. Three years ago he became a candidate for constable, was nominated at the primary election in spite of strenuous opposition and was subsequently elected. He had the warm regard of hosts of people and it was through his leadership probably more than any other one man that the township turned against those politically, who for years had dominated it.

A few months ago his health failed him and he had arranged to leave for his home Sunday morning.

He was engaged in the undertaking business in which he was engaged will be continued under the personal supervision of his brother F. F. Bontelho of Walnut Creek, who will move into the township and make his home here. The business will be conducted along the same lines and the same treatment will be given the public as heretofore. Mr. Light will be retained as funeral director.

Over fifty ladies assembled at the home of Mrs. Jacobus last week Friday afternoon at a whist party in response to invitations from Mrs. Hatch and Mrs. Jacobus. The rooms were beautifully decorated with flowers and drapings of white and green and the shades drawn with electric lights to brighten the scene. There were eleven tables of players at the game—Mrs. H. Ovracker and Mrs. B. L. Tyson taking the souvenir gifts for highest score and games—while Mrs. Olive Bonner received the consolation gift. Dainty refreshments were served later and all enjoyed the delightful social reunion. Guests were present from San Jose, Oakland, Centerville, Newark and Niles.

HIGH SCHOOL GIVES PLAYS

OLD ENGLISH PLAYS WILL BE PRESENTED BY SENIOR CLASS AT UNION HIGH SCHOOL AT CENTERVILLE ON WEDNESDAY.

As has been stated before in the Press, the High School at Centerville has been preparing a series of three plays for the graduation week. These are to be given as a single performance Wednesday morning, June 18, at 10 o'clock, on the lawn under the trees at the High School grounds. Seating arrangements have been provided for.

The rehearsing has been progressing rapidly, the costumes have been ordered from Goldstein and Co. of San Francisco and the various accessories are nearing completion. One of the features of the plays is the Hell-head—the representation of a dragon's head belching forth fire and smoke. This is used in the moral play.

"The Second Shepherd's Play" The first play—"The Second Shepherd's Play" is taken from a series of plays given in the town of Towneley, England. This was first given about 1490. Much interest will center around the trick of the sheep thief and the appearance of the angels. The cast is as follows:

Coll—a shepherd ... John Hafner
... Thomas ... Ellen Petersen
... Mary ... Dora Blair
... ... Edna Bliss
... ... Evelyn Garcia
... ... Ruth VanDervoort
... ... Constance Lewis
... ... Florence Fair

"Lusty Youth" The second play is a moral play entitled "Lusty Youth". This was written and performed during the reign of Henry VIII. It is to be given on a movable platform or pagant as was the custom. The Devil appears from the large Hell-head on one side of the structure. The cast is as follows:

Youth ... John Hafner
Good Counsel ... Ellen Petersen
Knowledge ... Dora Blair
Devil ... Frank Mendoza
Hypocrisy (later disguised as friendship) ... Verner Calhoun
Good Fellowship ... Percy Bell
Pleasure ... Edna Bliss

"Roister Doister" The last play is entitled "Ralph Roister Doister" and is a sample of the rough character comedies just before the time of Shakespeare. The cast is:

Roister Doister ... Marston Dassel
Merrygreek ... Melvin Nicol
Scrivener ... Manuel Silva
Dame Custance ... Ruth VanDervoort
Madge Mumblecrust ... Florence Fair
Tib Talkapace ... Constance Lewis
Anne Algyface ... Evalyn Garcia

The plays will be introduced and explained by Miss Aurora Betten-court. She will be costumed as a lady in waiting to Queen Elizabeth.

THE IRVINGTON DEAL

THIS WEEK we are going to use a current incident to emphasize some of the statements that we have been making. We want you who read this to judge for yourselves whether it is overdrawn or not, whether or not we are telling you the truth.

You have probably read by this time that J. E. Wamsley of Irvington has been appointed Justice of the Peace of Washington Township. This is no shock of course to the people of Irvington. They all expected it even while Tony Ferreira was fighting off the grim reaper. It was beaten into their consciousness during the past two months.

In order to get the right view of the situation to begin with we suggest that you read the quotations we make from "The Politician" the syndicate dopest of the M. K. machine.

Then note these facts with care. S. B. VanDervoort of Irvington is a school trustee of that district, a brother-in-law of Assessor Fred Horner and a Deputy Sheriff at \$100 per month. J. E. Wamsley has served the railroad company long enough to retire on a pension, has aspired to be a Justice of the Peace in the past and is also a school trustee in Irvington. Last year the three school trustees were VanDervoort, Wamsley, and Dr. Anderson. VanDervoort came up for re-election and was opposed by Dr. J. H. Durham who was beaten by 23 votes. Frank Reynolds who was principal at the time and Miss June Witherly were dropped from their positions because they had opposed VanDervoort.

This year the VanDervoort-Horner faction decided that Dr. Anderson was not available so put up Joe Leal. He was opposed by M. C. Joseph. Joseph was elected by one majority. It was taken for granted that if elected he would vote to restore Miss Witherly. When the matter was put up to Mr. Wamsley he declared he would leave it to the people of the town and that whichever teacher secured the largest number of votes would have his support. He was elected by a majority of 100 votes and at his word and inside of the week he was ready to present to him. It was

names. But in the meantime something had happened. Both Justices of the Peace were seriously sick and one of them Mr. Ferreira was fatally so. Would Mr. Wamsley be a Justice of the Peace? The gift would be in the hands of the Board of Supervisors. Mr. Wamsley changed his mind on the petition. Another angle to the affair had been presented to him. He was threatened with a boycott on the express business. And then, too, Ferreira was dying.

A still further change took place. Dr. Anderson who had been clerk and who by the way is a special health officer at \$100 a year allowed by the Supervisors resigned his position as Clerk of the Board of Trustees a few days before Mr. Joseph's term as school trustee began. Mr. Wamsley who had previously been dropped from the clerkship by the votes of VanDervoort and Anderson was again elevated to the position, and the tip given out that all of the teachers would be retained. Joseph has been a trustee since May 1, but has not been called to a meeting or given a voice in the election of teachers. He has been absolutely ignored.

Wednesday, a week ago, Tony Ferreira died. Last Monday on motion of Supervisor Murphy, J. E. Wamsley, became Justice of the Peace of Washington Township.

Now, you who do not take much interest in politics, just ponder over this. It is just the naked truth. You can draw your own conclusions. Personally the editor believes the "Deacon" has been handed a lemon.

THE death of Constable George Bontelho removes from the political field of Washington Township one who was a natural leader. Bontelho enjoyed the warm friendship and esteem of many people in the township because of his manly independence and also because his heart was one of the big, warm, generous kind. His position as constable was never a congenial one and his only purpose in seeking it was to make an effective protest against boss rule. He has set the young men of the township in this respect an example worthy of emulation.

WOMAN SUFFRAGE has been given a great impetus by the action of the great state of Illinois in giving partial suffrage rights to women. La Follette's weekly this week scores Governor McGovern of Wisconsin for his veto of a suffrage referendum in 1914 and urges the legislature to pass it over his veto. A compromise with a vote in 1916 will probably result.

THE DEALS and scrambles and ante-mortem bargains for petty local offices in the township serve to indicate to what depths a machine ridden system of politics will sink men.

THE SLAVES ACCLAIM THEIR GREAT MASTER

THE PRESS reproduces in part this week an article printed last week in both the Township Register and the Hayward Review. It is written by a political parasite who styles himself "The Politician." We commend it to the readers of the Press as a sample of the "dope" that can be passed out by one who evidently worships at the throne of the bosses at the rate of about \$200 a month of good county money.

Evidently the writer is trying to overawe the people of this part of the county by showing them what a cinch the bosses have on the situation and how useless it is to try to oppose them. It is one of the most shameless, abject and crawling things that the gangsters have so far turned out. It is not a notice to those who subordinate their privilege as citizens for patronage, for their keen scent for pap has long since directed them where to "head in". It may be designed to prevent any organized opposition to the "intrenched ins", by showing the futility of going up against a stone wall. It looks more, however, as the mouthings of a bought and paid for publicity agent who is trying to serve his masters. Only a hireling could write or publish such stuff which must be nauseating to even those whom it attempts to flatter.

If the stuff is inspired it is rawer work than we give the astute politicians in control of the county patronage credit for and would incline us to the belief that they are drunk with power and have lost their heads. But read it, you who believe in political freedom, and then ask yourselves are you willing to uphold such a servile, degenerate standard?

By "The Politician"

We are going to have a nice, quite gentleman county campaign next year unless the State contest mixes things up a little. It looks very much as if the job of getting elected to office is not regarded as worth the struggle and incidental expense, and it is

thoroughly in his own hands anyone else a chance to even estimate the expense of getting elected as compared with the income from a county office. So the indications are that Mike Kelly combinations will only those who bear the mark of approval accepted right down the line, and proof of the quiet man who is satisfied to handle the money of the county and at the same time run the politics thereof will have a chance to get under the wire for four years beginning with January 1st, 1913.

Mike Kelly today has a more wide reaching influence than any of these. More people look to Mike Kelly today for their political guidance than ever looked to any of those who have held sway in the past. There are more who will work for Mike Kelly for personal regard for him

than ever worked for these one time powerful bosses for either money or friendship.

The next county ticket will be named from top to bottom by Mike Kelly. In these days of the direct primary it is hardly fair to say that Mike Kelly will actually name the ticket, but it is fair to say that the people will not accept any one who has not first met with the approval of the quiet and easy boss of Alameda county.

Candidates for all office recognize this thoroughly and they are not only willing to have the approval of Mike Kelly given them but they are eagerly looking for that same approval.

There is not an incumbent office holder who does not want Mike Kelly's approval, and there is not a prospective candidate for county clerk who is not trying to find the one vacant seat on the Kelly band wagon.

When a man wants something in Alameda county from the Oakland city, the State, the federal or the county government, it is always: "Go see Mike Kelly."

And so Mike Kelly is "seen" upon all kinds of subjects and all kinds of people, and if any one thinks that kind of work fun, just let them try it for awhile.

But whatever the reason, Mike Kelly has got the political situation of Alameda county in the hollow of his hand. The proof of the pudding is always the eating and when the campaign of 1914 comes around it will be seen to be under the complete control of Mike Kelly of Oakland.

The County Ticket is Almost Made Up

The next county ticket is almost made up, and it looks almost like a return of the incumbents. This is the way things stand just at present:

County Clerk, no one yet determined upon no one hardly mentioned. Sheriff, Frank Barnett. Tax Collector, James B. Barber. Treasurer, M. Kelly. Recorder, G. W. Bacon. Auditor, E. F. Garrison. District Attorney, W. H. L. Hynes. Assessor, C. F. Horner.

Public Administrator, E. H. Lehmann.

Superintendents of Schools no decision reached yet, though George W. Frick will be a candidate, but whether he will have the endorsement of Mike Kelly remains to be seen. It is possible that a woman candidate may be given support.

Surveyor, P. A. Haviland.

So it can be seen that the incumbents will be nearly all taken care of. All of them belong to the Mike Kelly faction except Coroner Tisdale, and Tisdale saw the Kelly light a few years ago and made his peace with him. Cook is not again to be a candidate for county clerk which eliminates him, and there is still a question about Frick, who seems to have a great many enemies in the Kelly camp.

Alvarado

The Alvarado Grammar school will
close on the 20th of June for a sev-
en weeks vacation. The primary
classes will hold exercises.

A very pleasing entertainment is
being prepared for Thursday even-
ing June 26 under the auspices of
the Alvarado Chamber of Commerce
who will be ably assisted by the la-
dies. The money cleared will be ap-
plied to the building of a new side-
walk from town to the Southern Pa-
cific station. Mrs. Tainton has charge
of the program which is a sufficient
guarantee of its excellence. The Al-
varado Chamber doesn't "invite the
world", but it does invite the town-
ship to be present. It is a very com-
mendable project and the unity with
which Alvarado people usually work
for their town insures not only a
good entertainment but eventually a
good sidewalk.

Jesse Jacinto spent the week end
with his folks in Sacramento.

Miss Stella Legue of Oakland was
here Tuesday to attend the funeral
of George Bontelho.

Roadmaster O. W. Emery jeopar-
dized his reputation as a skillful au-
tist somewhat Tuesday evening while
taking Fred Hafen and Tony Perry
out for a ride in his Metz car. At
the corner near the McCarty place
the machine turned turtle and caught
both Mr. Hafen and Mr. Emery be-
neath it. Mr. Hafen sustained a frac-
tured rib and Mr. Emery had his face
pretty badly skinned. Mr. Perry es-
caped with a few slight cuts about
the face.

A large number of Alvarado ladies
attended a luncheon at Broadmoor
tendered them by Mrs. Farley Gran-
ger last Thursday afternoon.

Mesdames Ralph, Tainton, Ford,
and Robie attended the basketball
game between the girls of the Fre-
mont high school and the Oakland
High last Monday.

Miss Ethel Foley returned from
Lompoc Tuesday having finished her
school duties for the year.

Mrs. M. Terra visited in the city
this week.

Mrs. A. Dees resumed her duties
as assistant postmistress this week
after an enforced absence of three
weeks on account of illness.

August May is having the old Ed-
wards house on Vallejo street re-
moved. It will be placed on the H.
H. place.

Miss Viola Lund, Miss Freda Lund,
Mrs. J. Turner and their brother Wal-
ter Lund spent Tuesday in Oak-
land.

Mrs. A. Vargas is on the sick list
this week.

Mrs. Joe Duarte of Decoto visited
her sister-in-law Mrs. J. Luna Wed-
nesday.

Miss Millie Nauert spent Tuesday
in San Francisco.

Mrs. F. Silva of Newark, Mrs. F.
Cass and Mrs. Benes of San Fran-
cisco visited with Mrs. A. Davilla on
Tuesday.

Miss Ida Silva and Miss Lena Sil-
va of Benicia spent the week end

Decoto

Manuel J. Cordeira of Decoto and
Miss Louise Roderick of Alvarado
were married in the Centerville Cath-
olic church Wednesday. Th young
people are both well known locally
and popular. They will hold a re-
ception and dance in Silva's Hall at
Decoto Wednesday evening June 18.
The young people hav not sent out
invitations but everybody who wish-
es to come will be welcome.

L. C. Page, Southern Pacific agent
at Decoto, recently received the sad
news of the death of his mother, Mrs.
Elizabeth Page of Rich Hill, Ohio.
Mrs. Page's death occurred on Wed-
nesday, May 28 after an illness of
only three days. Mrs. Page was a
native of Switzerland and was 63
years of age and was the wife of
H. H. Page of Rich Hill. Besides her
husband, she leaves three sons, Blam.
F. Page and Logan Page of Rich
Hill, and L. C. Page of Decoto. Mrs.
Page recently spent several months
with her son's family in Decoto and
endeared herself with those with
whom she became acquaintd.

A large delegation of Decoto peo-
ple attended the funeral of George
Bontelho in Centerville, Tuesday.
George's big heartedness and liberal-
ity with the poor in their afflictions
was well known here where people
had opportunity to observe it, and
it greatly endeared him to the peo-
ple.

At the regular meeting of the De-
coto Chamber of Commerce last Mon-
day evening, H. S. Crocker, manager
of the Essex Lumber Company, was
elected Secretary, vice J. S. Egger
who has taken the place of Western
Pacific agent at Niles. Mr. Crocker
has also been elected delegate to
the Associated Chambers to fill the
vacancy caused by the death of T. S.
Ferreira. The selection of Mr. Crocker
as secretary should be a matter of
congratulation to the Chamber of
Commerce as well as to the commu-
nity, as it undoubtedly will help to es-
tablish a closer relation between the
people of the town and th industry
which Mr. Crocker represents.

ple attended the picnic of the Lu-
guese societies at San Lorenzo Wed-
nesday.

bel and Mamie Silva spent Sunday in
Newark with the family of J. F.
Silva.

day.

guest of her sister Mrs. B. A. Ford.

A marriage license was issued
this week to Manuel Avilla Jr. aged
23, of Alvarado, and Miss Mae Lewis,
aged 17, of San Lorenzo. Mr. Avilla
's one of Alvarado's popular young
people.

WIGGS BEATS IRVINGTON

The second presentation of Jim Wiggs occurred last Sunday at Newark when the Irvington crowd journeyed thither with hopes and expectations of carrying the bacon back to their home town. But after the first inning, when they succeeded in putting five men across the pan they were held completely in subjection by the ex-Oak twirler (and as it is rumored in Irvington by the umpire) with the result that the final score was 8 to 5 in favor of Newark team.

Neither Worth nor Smith showed up for Irvington and Johns went in at third and made a couple of timely errors which aided the Newark team.

The game was devoid of any particularly spectacular plays. Wiggs kept the hits well scattered and fanned fifteen of the Irvington batters while Newark bunched their hits, batting in enough runs to overcome the big start that Irvington got in the first inning.

Williams walked and Gaines was safe on Wiggs' error. Both men advanced and Selaya was safe on first when Bolger dropped the third strike on him. Johns struck out but Sheehan was safe on an error by Turner, scoring Williams and Gaines. After Medeiros struck out Rose and Witherly were safe when Bolger dropped the third strike, Selaya, Sheehan and Rose scoring before Stewart ended the inning by striking out.

Kersten went behind the bat in the next inning and Wiggs' good work was even better from then on.

Newark scored two in the first, one in the second, four in the third and one in the seventh.

The score:

scoring Kersten. Turner was out on a faulter to shortstop and Lloyd Wales fanned.

Ferreira started the seventh with a single but was out trying to purloin second. H. Wales was out on a grounder to Johns. Then Kersten scored on his own merit. He singled and stole second immediately, going all the way to third when Witherly juggled. Bolger was at bat and was pretty nearly knocked over by what looked like a cyclone of dust, and upon investigation it was discovered that Mr. Kersten had stolen home.

DECOTO TAKES IN CENTERVILLE

Decoto had little difficulty in disposing of Centerville last Sunday afternoon before a good crowd in Decoto. The game was a fair one and ended with a score of 5 to 2.

Both pitchers, Tracy and Heister, were going well but their support was ragged and that the score was not larger was due to the inability of the two teams to hit when hits were most needed.

George, the Decoto right fielder, led the van with two hits, two runs and three stolen bases. Tighe, the Decoto second baseman, showed up in good form and handled twelve changes with but two miscues.

The Centerville team played better than Decoto in the field and although they outthrew Decoto a little, Tracy was too strong for them in the tight places.

LAST WEEK OF THE NICKNAME CONTEST

NEWARK AND NILES CLASH TO-MORROW

During the past week everywhere the most important topic in the local sporting world has been the Niles-Newark game which is scheduled for to-morrow afternoon at Sullivan's Park, Niles. The two teams are in the lead for the pennant of the Township League, Niles at present being ahead by one game. Should Newark win to-morrow the two teams would be on an equal footing while Niles, by winning, would hold a perfect record for the season, having won six league games straight.

Newark won the pennant last year and naturally have been making a strong bid for it this season, but they were obviously outclassed in every way in the last game they played against the Niles team, when Niles won by a score of 15 to 3.

But this time Newark will present a much stronger front. With Jim Wiggs in the box and Jackson catching they have a battery that certainly will be hard to surpass. Their infield will also be greatly strengthened. Burdick will be back in the game at third base and McGraw, a new man will play shortstop. H. Wales or Kersten will play second, one of them going to the outfield. Ferreira will probably be released. Turner will be on first, making the infield a strong one, and there are a number of good outfielders on the

field will pos-

ibly be

Wales, Hafner and

Wales of Kersten.

The Niles team is well able to take care of their chances in the field, and at bat, in the games so far this season, have proved to be demons.

This will be the first chance for the Niles aggregation to extend themselves, and local fans seem confident that Wiggs will be but very little harder to hit than Kohner or Kersten were in the last game between Newark and Niles. At any rate a rattling game of baseball will be on tap and the gate is expected to be in the neighborhood of \$150.

The Niles team will line up as follows:

Roach, right field
Fusco, catcher or left field
O'Brien, left field or catcher
Robinson, first base
Totheroh, third base
Dolan, pitcher
Perry, shortstop
Rose, second base
Fields, center field
Poggetto, substitute
The admission will remain at 25c.

NOTES ON THE GAME

Kersten is one of Newark's mainstays. It is quite out of the ordinary to see a player as loyal as he is. After having been dropped from the salaried list of players, and being replaced as pitcher, the average ball tosser would look for another location. But not so with Kersten. Since Jim Wiggs has been secured to do the twirling, Kersten has played in the infield, at shortstop and third, and last Sunday, caught most of the game. He is the most reliable hitter on the team and has displayed his ability as a base runner on several occasions. He is on his toes all the time and is playing for the love of the game.

Ebner started to catch for Newark Sunday but before the first inning was under way got one of Wiggs' speedy ones on the finger and was forced to retire. Bolger finished the inning behind the bat, but Wiggs had too much on the ball for him. Kersten took up the job in the second inning and finished the game behind the bat. His work there was very satisfactory.

The rumor that Dolan would part company with the Niles team doesn't seem to have much foundation. Dolan has a not too hard job with the Essanay company, which is perfectly satisfactory to him. Walter Nagle has been after the Niles twirler, trying to persuade him to join the San Jose State league team, but "Fodder" is willing to stick to Niles for the time being.

"Fido" George was right in the spotlight Sunday at Decoto. He annexed two singles and stole three bases, scored two runs and had the Centerville team up in the air every time he landed on first. He is certainly some "dog" on the bases and if he were a stronger batter would be one of the most feared players in the league.

Tighe, the Decoto second baseman,

up.

There is altogether too much loud

talk, betting and rough-housing at the ball grounds on Sunday after-

noons—one of the disagreeable features of Sunday baseball in a small town. The management of the various

teams should see to it that insulting language is strictly cut out—

whether it is directed at players, at the umpire, or at random. It is most unpleasant, not only to the players

and the umpire, but to about nine tenths of the spectators. It is neither necessary nor profitable.

Kersten stole home in the seventh

inning at Newark with Bolger at bat. He was safe on first on a single and

sarted to steal second. When Witherly fumbled the throw he went on to third and a moment later stole

home, being safe before Selaya could touch him with the ball.

Naturally, the umpire robbed Irvington, although Wiggs struck out

fifteen men and so forth.

Selaya and Irvington are no longer

together. At the meeting of the Irvington ball club last Tuesday evening Selaya brought the matter of

pay up before the club and asked for \$3 a game. Manager Witherly stated

that none of the other town players were getting any money and that the team could not afford it. Selaya then

asked for his release, which was given him. He may try out in the North-

western league next season and he ought to make good there, as he is a

willing player and one of the best catchers in the league.

Decoto and Irvington will possibly

play in the morning at Irvington to-morrow so that the fans can see

Niles and Newark hook up on the Niles grounds in the afternoon.

Newark tried hard to get "Tub" Spencer to catch for them on Sunday but the Seal castoff was on his way east. But according to reports

someone as good as Spencer will be on hand. That someone has been the topic of conversation in Niles this week. He might possibly be "Bunny" Pearce or Jackson.

A young gentleman by the name of McGraw will sport a Newark uniform Sunday. His name is "Mugsy" McGraw. Anybody by that name ought to be pretty good. He will, possibly play shortstop.

Burdick has been out of the game for three weeks with blood poisoning but will probably don his Newark uniform on Sunday again.
